✔ Hospitality
✔ Professional Services

Why Brit?

- We're a leading global specialty insurer and reinsurer writing over USD4bn in GWP
- We have a strong balance sheet, backed by Fairfax and the Lloyd's chain of security
- We believe leadership is about more than status, it is about delivering excellent service
- We've been writing cyber business for over 20 years and we insure 40% of the Fortune 500.

Geographical Scope

Worldwide but with a focus on North America, UK, Europe, Australasia and South Africa.

risk management

Our DataSafe risk management service also provides online training for staff, including phishing simulations and a virtual CISO service to support the insured's CISO or IT Security team.

breach response and claims

Our BCAP policy holders have access to a 24/7 breach response service whereby independent experts in digital forensics, PR, ransom negotiation and breach counsel are on hand to guide clients through the process of a breach or attack.

Our award-winning and highly experienced claims team has successfully managed claims arising from some of the market's most challenging events.

Find out more about our claims process here.
