ALTERNATIVE RISK PACKAGE BENEFITS

- Insurance or Reinsurance - primary, excess, memorandum of coverage
- The client, with an approved TPA or claim's staff, administers all claims and implements defense strategies
- Clash coverage provides that only a single SIR applies to a covered loss involving multiple lines of coverage
- Claim dollars remain with the client until paid increasing income potential
- Rewards the retention of attritional losses within the SIR
- Allows risk transfer of catastrophic losses to specific insurance
- Reduces expense associated with the purchase of individual policies
- Provides free access to the Brit TEAM platform and loss control dollars may be available for approved risk management initiatives
- Stand Alone Terrorism available to higher limits or TRIPRA

THE ALTERNATIVE RISK PACKAGE IS –

An indemnity policy; the client defends and funds their own claims and seeks reimbursement from Underwriters.

Defense costs within the limit, a sublimit for defense costs in addition to the limit is available.

A complete all-lines-aggregate product underwritten by a dedicated Package underwriter.

Tailored E&S forms for Public Entity, Schools K-12, Religious Entities, Higher Education and Commercial clients.

A flexible product that allows the client to choose their own claims and risk management providers. We associate with the client's claim, we do not control it.

THE ALTERNATIVE RISK PACKAGE IS NOT –

A "duty to defend" policy in which the carrier responds to claims, with or without the input from the client.

A product that offers defense outside the limits as standard.

Individual product lines from multiple underwriting departments.

An admitted bureau-produced form policy.

Designed to interfere with the client's claims handling decisions.
