

# meet Brit's healthcare team

Brit has over 25 years' heritage in writing professional liability risks; our comprehensive healthcare liability offering is a core part of that heritage. The global healthcare industry is a rapidly growing and evolving sector, the complex risk attributes of which require industry expertise across the underwriting, claims and actuarial functions.

**Tom Kennedy**  
Class Underwriter,  
Healthcare Liability

Tom joined Brit in 2015 and has led the Healthcare Liability portfolio since early 2019. He began his insurance career at CNA Europe, underwriting medical liability in the

UK and France on a primary basis. Tom subsequently worked at Barbican Insurance Group underwriting on behalf of Syndicate 1955 at Lloyd's, with responsibility for US and UK medical liability on both a primary and excess basis. His early career was spent as an infantry officer in the British Army. Tom is ACII qualified and holds a BA (Hons) in Politics, Philosophy and Economics from Durham University.

**Marc Tyler**  
Underwriter,  
Healthcare Liability

Marc's underwriting career began in 2010, in Catlin's US Casualty Reinsurance division. In 2014, he joined Dale Underwriting Partners to support a new owner-

managed Lloyd's syndicate with a majority focus on casualty business. Healthcare Professional Liability, Miscellaneous Medical Malpractice and Long Term Care were key areas of this broad portfolio, and Marc focused on underwriting US-based risks and new product development. Marc is ACII qualified and holds a BSc (Econ) in Economics from Cardiff University.

Brit's experienced healthcare team is committed to providing tailored insurance solutions, innovative products and related healthcare risk services to our clients and brokers. We pride ourselves on delivering disciplined, consistent underwriting and exceptional service. Please get in touch if you would like to find out more.

**Ben Langridge**  
Actuary, Healthcare Liability

After a one-year foray into InsurTech, Ben started his Actuarial Career at Brit Global Specialty in 2012. Having initially worked on Pricing, Reserving and Insurance Risk across a diverse range of

classes, he is now responsible for the Pricing and Reserving function across Brit's Casualty lines. Ben is FIA qualified and holds an MPhys in Physics from The University of Oxford.

**Andrew Wills**  
Senior Actuarial Analyst,  
Healthcare Liability

Andrew started his actuarial career at EY in 2015, where he analyzed a wide variety of product lines written both by Lloyd's Syndicates and other London Market insurers.

At the start of 2019 he joined Brit to specialize in Pricing and Reserving for the Financial and Professional classes of business. Andrew holds a BA in Maths from the University of Oxford.

**Adam Jones**  
Senior Claims Adjuster,  
Healthcare Liability

Adam joined Brit in 2015. He was formerly a Senior Claims Examiner at CNA Hardy, adjusting UK and International Healthcare claims.

Adam qualified and practised as a solicitor at Plexus Law between 2007 and 2014, dealing with a variety of Healthcare matters. He holds a LLB (Hons) in Law from Kingston University and a LLM (Law and Economics) from the Universities of Hamburg and Madrid respectively.
